

Child Development Dayhomes' Illness Policy: Children

If your child has this symptom, do not bring the child to the dayhome	Please stay home until...
<p>Fever/Chills</p> <p>*According to the Canadian Pediatric Society, normal temperatures for children are below. Anything higher is considered a fever. • Rectal: 36.6-38.0°C (97.9-100.4°F)</p> <ul style="list-style-type: none"> • Mouth: 35.5-37.5°C (95.9-99.5°F) • Underarm: 36.5-37.5°C (97.7-99.5°) • Ear (not recommended in infants): 35.8-38.0°C (96.4-100.4°F) 	<p>The child has been fever free for 24 hours without fever-reducing medication</p>
<p>Cough/Shortness of Breath</p> <p>Nausea/Vomiting/Diarrhea</p> <p>Congestion/Sore throat/Painful Swallowing</p> <p>Unexplained Loss of Appetite/Lethargy/Unable to participate.</p> <p>Muscle/Joint Aches/Headache</p>	<p>If the symptom is improving after 24 hours, they may return to the dayhome if well enough to do so and it has been at least 24 hours since the symptom started.</p>
<p>Pink Eye – Bacterial</p>	<p>24 hours after treatment has started or the eye no longer has discharge.</p>
<p>Pink Eye - Viral</p>	<p>When symptoms are cleared.</p>
<p>New/unexplained rash</p>	<p>After seeing a doctor and/or calling 811 for advice to ensure it is not contagious to others. A physician's note may be required.</p>
<p>Head Lice</p>	<p>When first treatment is completed and bugs and nits are picked from the child's hair so hair is clear. Complete head checks of all members of the household. Please complete the second treatment 7-10 days after first treatment.</p>
<p>Runny Nose</p> <p>Please make your best judgement when deciding to send your child to the dayhome.</p>	<p>Your dayhome educator may ask you not to bring the child or to pick up the child if the runny nose is consistent throughout the day and needs to be consistently wiped and/or it interferes with daily routines and caring for other children.</p>

The child cannot return to the dayhome premises until the dayhome program educator is satisfied that the child no longer poses a health risk to others in the program (e.g., the parents provide a physician's note, or the parents declare that the child is symptom-free).

There are no reductions in fees when your child is absent from the dayhome due to illness. You must arrange for your child to be picked up immediately if notified by the dayhome educator that your child has fallen ill or is showing symptoms at the dayhomes.
