

General Field Trip and Transportation Form

- This form gives the dayhome educator permission to go to the destinations listed below
- For all other field trips you will be notified in advance and asked to sign a separate specific field trip form
- Safety rules are reviewed with children prior to each field trip
- In case of an emergency, educator will call 911 for ambulance transfer

Educator's Name	Educator's Signature	Date
-----------------	----------------------	------

(Name(s) or authorized driver(s) approved with the agency)

I give permission for my dayhome educator to take my children on the destinations listed

_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature
_____ Child's Name	_____ Parent or Guardian's Signature

Supervision of children on Outings with the Day Home Educator:

- Ensure that the children are always **directly supervised** both indoors and outdoors by the Dayhome Educator.
- The Dayhome Educator must be able to see and hear the children at all times.
- Using a consistent system of head counts during transitions, transportation method, arrival and departure of destination.
- Maintaining child – staff ratio at all times

If children are being transported in vehicles:

- Child Development Dayhomes must have a current copy of the vehicle's insurance
- Educator/Spouse has taken the **Little Lungs Car Seat Safety course** and it is updated every 3 years.
- Regulation child restraints must be used in private vehicles and taxi cabs.
- Dayhome Educator complies with all car safety rules from Transport Canada (www.tc.gc.ca/roadsafety/kids)
 - Keep infants in rear-facing seat until he or she grows out of it.
 - Forward facing car seats must be placed in the back seat and tether straps used.
 - Children 40-80lbs use booster seats
 - children under the age of 12 sit in rear seats of the vehicle
- If parents supply a child safety seat for transportation-instruction manuals must be included
- All child safety seats must have a sticker that clearly states the expiry date of the seat
